개요/진행	<p>Debates will be determined by students and their interest. Various sites and media will be introduced for students to select their primary source of researching and sharing information. Students should expect to share their findings and to be graded on their ability to inform and form opinions about the topics (debate). Length of time to be determined by number of students that enroll. You will learn to debate by speaking and using SUPPORT from expert sources. Or creating sources by making surveys for SKKU students. Debates style will vary but you can use video, ppt, sitdown, etc.</p> <p>debateskku.blogspot.com Blog format will vary but students should expect to use the blog to post comments DURING discussions and this will be used as a tool for participation/grading.</p>
