1. 교과목 개요

GE0-2 is a speaking and listening class. During the semester students will perform presentations, projects, conversations, and tasks at the partner, team, and class levels. Topics and language will be derived from the students and professor as well the needs of the students. Students in teams will usually be given persuasive tasks to complete using the materials from the text and handouts.

2. 강의목표

- ? o be able to better use precise language derived from discourse and culture
- ? o increase the ability to listen to and understand spoken English
- ? o increase English confidence and fluency by speaking in different deliverables
- ? o be more able to identify, understand, and use natural pronunciation

3. 강의방법

Participation is highly valued and expected from the students. Students also need a file to save all handouts given in class.

4. 평가방법

- attendance 00 points
- participation 50 points
- Dialog Scripts 50 points
- Listening activity 0 points
- midterm quiz 00 points
- final exam 00 points
- group presentations 00 points

5. 과제물

Students will be required to give a group presentation focusing on language and communication.

6. 실험, 실습계획

Students will conduct a conversation activity outside of class such as an OBF visit or an EWC clinic.
