| Course Objectives | This course is designed to help foreign students successfully carry out academic speaking activities including presentation and discussion that are required for graduate life, based on their understanding of Korean speech, | | | | |
| Course Description | This course covers various useful Korean speech techniques that are necessary for foreign students to build up an ability to present in Korean. It is highly recommendable for any foreign students who are interested in Korean speaking, especially how to speak in a formal style. Taking this course will help you improve and level up your ability to use Korean vocabulary and expressions in a classier way. It goes without saying that self-confidence in Korean speaking will double by taking this course. * Students with disabilities can negotiate with the Disabled Student' s Academic Support Center regarding course materials and assignments. | | | | |
