강좌개발 계획 및 전략	<p>Getting the highest score for TOEFL and other standardized exams has always been one of the top priorities of university students. The tests are very helpful for them in applying for the jobs that they want in the future. However, despite many resources available, still a lot of students have a hard time getting the desired scores.</p> <p>This online course consists of more effective strategies for the students to improve their exam scores. The strategies that would be shared in this course are based from the experiences of successful examinees. The tips that would be given in this course are also based from various prestigious test centers around the world.</p> <p>This course would be delivered through a blended learning approach, utilizing both</p>

	offline and online resources. This course would integrate both theories and actual practices behind test taking skills and how the students can best use the strategies to get the highest score possible. There would be a short quiz at the end of every lesson and a midterm and final assessment as well.
공개강의 적합성	Generally, this course aims to increase the students' access to high quality learning materials. Specifically, this course aims to prepare the students for their highly anticipated exam day. This course also provides an opportunity to prepare the students to improve their overall knowledge of English and how to apply this knowledge in their everyday lives. This course is very appropriate for an online course to enable the students to learn the material in the most convenient manner and time.
