강좌의 개요	<p>This course can be used for a broad spectrum of learners as it is based on the standards of the official Intermediate B1 German certificates (e.g. required for applying at universities or for jobs in Germany). The lectures aim at easing the challenging transition phase from A2 to the more demanding B1 level and help to improve and refine ALL four skills of language: reading, listening, writing and speaking. Typical everyday topics are comprehensively explained in terms of vocabulary and grammar. Speaking and writing skills are supported by audio sections, also introducing the practice of imitation and shadowing to deepen text understanding and improve pronunciation skills.</p>					
강좌의 목표	<p>Training all four language skills (reading, listening, writing, speaking) in order to achieve German intermediate skills and be able to pass the German B1 Language Certificate</p>
