	<p>The main goal of English Conversation with Travel will be on teaching students how to comfortably and confidently communicate in English when traveling abroad. Students will learn a lot of relevant vocabulary and key expressions that will enable them to successfully overcome many obstacles and difficulties that tourists always encounter when they travel to a different country. Students will learn to overcome challenging but unavoidable situations that will arise in the airport; the hotel; the restaurant; and more. In addition, students will hear travel tips from other native English speakers from across the globe. The travel tips section will allow students to hear travel advice in English from people from different countries.</p>

		30%	<p>There will be an assignment this semester which requires the students to upload and submit a file/document to the e-class website. The assignment will be based on the material studied throughout the course. Clear instruction will be given to the students on how to complete the assignment.</p> <p>There will also be weekly quiz assignments after each lecture video. In total, the assignment and weekly quizzes are worth 30% of the students' final grades.</p> <p>There will be penalty points deducted for students who submit an assignment or weekly quiz after the deadline. It is the student's responsibility to regularly check the e-class website for more information about assignment content and deadlines.</p>												
		25%	<p>an online midterm test will be given based on materials studied in online videos from weeks 1 to 7. The exam will include multiple choice, fill in the blanks, true or false, listening and reading comprehension questions. As this exam is online, students must take the exam at a desktop computer, alone, and not with a classmate. Online tests are individual endeavors and there should be no collaboration between students when taking a test. This applies to both face to face and/or online tests.</p>												
		25%	<p>an online final test will be given based on materials studied in online videos from weeks 9 to 14 The exam will include multiple choice, fill in the blanks, true or false, listening and reading comprehension questions. As this exam is online, students must take the exam at a desktop computer, alone, and not with a classmate. Online tests are individual endeavors and there should be no collaboration between students when taking a test. This applies to both face to face and/or online tests.</p>

가	: students will be expected to complete an assignment where they solve problematic scenarios that														

	travellers may face when on vacation. The assignment will be available on the e-class canvas website.
	: Students will be expected to complete an online written test during midterm and final examination week. Students will receive notification of their test scores after the testing period is complete. If students have queries or wish to review their own answers then they will have an opportunity to contact the professor after the testing period is complete via the e-class canvas website.
