	<p>This course is designed to provide future teachers of English as a foreign language with an up-to-date principles of materials development and language teaching methodology. The ultimate aim of this course is to provide a synthesis between principle and practice, students being able to design teaching materials and develop teaching methods.</p>				
	<p>Online and offline blended learning class.</p> <p>Assignments: A group of 2 to 3 students should submit at the end of the semester a one-unit textbook (about 20 pages) which includes every component of listening, speaking, reading, and writing. They will explain the principles or characteristics of their own textbook making to other groups of students in the poster presentation session.</p> <p>Presentation: There will be several micro-teaching presentations of listening, speaking, reading, writing teaching in the classroom.</p>				

				PAGE		
1	08/27~09/02	Introduction	Introduction to the course and e-learning
