개요/진행	<p>The specific goals are to help you develop your ability to write good sentences, good paragraphs, good essays and other longer forms of academic writing. Academic writing is writing for university reports, term papers, research documents, and other professional journals and publications. Academic writing skills will also empower you to write well – be it in government, business, science, journalism, the arts or other professions. The secondary goals of this class are to further develop your English vocabulary and grammar as well as your ability to read, analyze and discuss complex, contemporary issues in English.</p>
