| 개요 (summary) | <ul style="list-style-type: none"> This lecture will assist students with speaking English with an American pronunciation. | | | | | | | | | | | | | | | | | |
| 목표 (aim) | <ul style="list-style-type: none"> Students will learn how to develop their English pronunciation skills. | | | | | | | | | | | | | | | | | |
| 특강 내용 (contents) | <p>This video series is designed to improve clarity, accuracy, and understanding of spoken English through study and practice of pronunciation features as they occur in real speech, using models from television, movies, and online talks. First we will explore the practice and use of loan words and code switching between English and Korean. Then we will review a series of popular pronunciation practice activities. Finally, we will discuss how we can combine pronunciation practice with speaking, writing, listening, and reading practice.</p> | | | | | | | | | | | | | | | | | |
