나. 교과목 학습목표 및 소개

- 1) This course is designed to teach the first steps of learning the saxophone. As with any musical instrument, the ability to watch someone and emulate their example is an excellent way to start. The course will be given in English (with some Korean on the PPT) which also provides a low stress opportunity to practice English as well. The course will cover basics such as choosing a saxophone, saxophone assembly and care, the history of the saxophone, embouchure (mouth position), reading and playing first notes etc.
