강좌의 개요	This course is designed to encourage students to have some background knowledge required in the business field, and to read the reading materials for job application.
강좌의 목표	To read the English textbook used by the students majoring in business or economics To understand the business terms and concepts To read English resumes and related reading materials
강좌 운영방법	Lecture Discussion Presentation
전년도 강좌 개선사항	his class is based on the flipped learning. In other words, the two-hour classes are offline (classroom) learning, but the one-hour classes are online. For the online learning, all video clips will be posted on e-Class.
학습준비 사항	Students must watch a video clip before each class - attendance will be checked too.
수강학생 유의사함 및 참고사항	Watching video clip is the attendance checking for the one-hour classes. Students must be aware of this.
