2. Development Plan and Strategy

Course Title	TEDTALKS 2
Course Objectives	Students will develop a foundation of English conversation skills from watching TEDTALKS topics to practicing public speaking in the classroom in a wide range of science fields. 1. The students will become confident and competent in delivering English speaking through WorldLink class activities. 2. The students will have a better understanding of the audience by dealing with various TED Talks topics. 3. The students will become more comfortable with English lectures and various subject matters in TED Talks.

Course Development Plan and Strategy	This course is mainly designed for senior students in college to be prepared for presenting their own unique experience and knowledge in interviews as well as other professional business matters. First, the text books will be introduced in class by the instructor in the 1st week. Second, students may share their SNS hot topics before the start of class each week for a total of 15 weeks.　Third, translations (Kor to Eng and Eng to Kor) will be tested via a weekly quiz.
Suitability as a Open Course	No prerequisite.
Course Usage Plan	Specific Course Usage Plan for Online or Offline class - KOCW Registration - Blended Learning - e-learning (cyber learning) course open - Flipped Learning
