강좌의 개요	<p>The focus of this Asia and Latin America 'win-win' cooperation course is to create an understanding of how the unique historical experiences of East Asian and Latin American countries have helped or hindered the development of their relations politically, economically and socially. By examining the historical development of trade between the two regions, students will discover a deeper understanding of concepts related to international trade, regional and multilateral organizations, and the dominant economic theories governing modern multifaceted relations. Designed as a seminar course of instruction, students will be expected to work independently, as well as, part of a small group to fulfill the expectations of this course. Students will be instructed in the ways to write essays (midterm & final exams) and an individual presentation (case study) as part of his/her course evaluation.</p>					
강좌의 목표	<p>For those who take this course will be given and obtained the understanding the inter-regional relationship between Asia and Latin America. To do so students will be exposed to a various approach how and in what ways those areas are inter-mingled each other. Moreover, students can express his/her own perspective by means of writing essay papers as well as individual research project.</p>					
강좌 운영방법	100% online method + English as a primary command language					
학습 준비사항	<p>강의계획서를 꼼꼼히 살핍니다. 특히 주별 주제가 다르지만 큰 틀에선 아시아-중남미 관계에 대해서 학습하는 만큼, 이 전 수업등의 내용을 상기하며 수업에 적극적 자세로 임합니다.</p>
